..... Arsenal: Mark Bayer and Steve Aramini

Arsenal set up two laptops for Council members and the public to view the nevadayouth.org website. It was a challenge since the Video Rooms did not have wireless internet connections. Conversations went around on the ICON and the materials in each. The Council agreed that although it was good information there was too much written language. The Council would like to see more interactive capabilities. Possibly have video testimonials along with information on the Clark County School District Parent Link. Arsenal explained that the site was not live and was a work in progress and suggestions are welcomed. The council decided to have Arsenal create a survey and have Odalys Carmona distribute to Council Members and those in attendance. Arsenal agreed to have the survey to Odalys Carmona for distribution within the next week. The survey comments will be collected by Odalys Carmona and given to Arsenal. This item will be placed on the agenda for February 9, 2011.
