Why fix it if it's not broken?

Focus on:

- ❑ Providing Value-Added Services to Businesses
- ❑ Connecting Job Seekers to Jobs
- ❑ Providing Reemployment Services to Unemployment Insurance Claimants

Strategies:

- ❑ Focus on what new and existing businesses are looking for from our workforce and provide them with Nevada workers that possess those skill sets
- ❑ Provide a demand driven system responsive to the needs of the business communities and employment opportunities for job seekers
- ❑ Increase service delivery strategies for employment and training to serve more job seekers

-
- ❑ Communicate and collaborate with economic development agencies to determine training needs of companies moving or expanding to Nevada.
 - ❑ Communicate and collaborate with Unemployment Insurance and Bureau of Vocational Rehabilitation in support of their objectives

Business Services

- ❑ Platinum Job Order
- ❑ Gold Job Orders
- ❑ Silver Job Orders
