MEMORANDUM

DATE: February 27, 2012

TO: Workforce Development Professionals

FROM: Renee Olson, DETR/Administrator, ESD 

SUBJECT: 2012 Veterans' Employment and Training Service (VETS) Performance and Incentives Award Program.

Fellow Workforce Development Professionals,

The State of Nevada encourages your participation in Nevada's Veterans Employment and Training Service Performance and Incentives Award Program to recognize quality employment, training, and placement services delivered to United States Veterans and military personnel.

The objective of the program is to recognize Workforce Development Professionals who have made a substantial contribution or effort in providing services to United States Veterans and military personnel. While the program is funded by the VETS grant, nominees do not need to be employed as VETS representatives to be eligible for these awards. Eligible nominees are all individuals, offices, or organizations providing services through an employment service delivery system that provides services to Veterans through the Nevada JobConnect system.

Nomination forms and program eligibility requirements may be found on the Department of Employment, Training, and Rehabilitation website at:

http://detr.state.nv.us/worforce_investment_pages/Vets_Performance_Incentives_Awards.htm

The deadline for the submission of nominations is Friday, April 6, 2012. Incentive award funds are to be obligated and expended by September 30th, 2012 (end of fiscal year).

Please contact Roy Brown (702) 486-6512 or via e-mail at rlbrown@nvdetr.org if you have any questions about the program, nomination criteria or the nomination process.
